Flightstar Announces the Appointment of Quality Control Manager

Champaign, IL (KCMI) – May 3rd 2017 – Flightstar Corporation is pleased to announce the appointment of Mr. Robert “Bob” Dorsey as the Quality Control Manager.

Bob joins the Flightstar team with more than a decade of previous experience in the quality control field. Over the past 35 years in the aviation industry, Bob has held such positions as Quality Control Manager, FAA Accountable Manager, Assistant Project Manager, Chief Inspector, and Quality Control Auditor.

“We are extremely excited to welcome Bob to the Flightstar team. He has a proven track record of quality performance and is well respected in the aviation community. In this role, he will help Flightstar maintain the high level of quality our customers are accustomed to,” stated John Arnett, Service Manager at Flightstar.

About Flightstar Corporation

Founded in 1978, Flightstar is an aviation service organization located at the University of Illinois-Willard Airport in Champaign, Illinois (KCMI). With over 120,000 square feet of hangar space, the company offers a wide range of services including a full-service fixed base operation (FBO), airline and general aviation maintenance, repair and overhaul operations (MRO), avionics sales with installation and repair, and world-wide executive jet charter with full aircraft management services. Flightstar proudly serves as a Bombardier Authorized Service Facility (ASF) for the Learjet 40, 45, 70, and 75 series of aircraft. Additionally, Flightstar operates as a Honeywell Authorized Service Center for the TFE731 series, HTF7000 and Honeywell APU.

With over 120 team members, Flightstar prides itself on providing world-class aviation services delivered with a Midwestern work ethic and highly personalized customer service. To learn more about us, visit www.FLIGHTSTAR.com or call (800)-747-4777.
