Flight Star Corporation
7 Airport Road
Willard Airport
Savoy, IL 61874
USA

Attention: Michael Casper

Subject: Acceptance of FAA Supplemental Type Certificate (STC) No. ST04439CH.

This is in response to an application from the FAA dated November 6, 2020 requesting Transport Canada approval of the subject STC.

In accordance with our current policy associated with the review of foreign STCs, some STCs applicable to certain categories of aircraft may be accepted solely on the basis of their foreign certification, and do not require the issue of a corresponding certificate by Transport Canada. The subject STC falls within these criteria.

This STC will be entered in the national index of STCs that have been reviewed and accepted by Transport Canada for installation on Canadian-registered aeronautical products.

The national index of STCs can be viewed at the following Web page:

<http://wwwapps.tc.gc.ca/saf-sec-sur/2/nico-celn/>

This letter confirms formal acceptance of the referenced STC by Transport Canada.

STC Number	Description
ST04439CH	Certification for Transmitting Portable Electronic Device (TPED) on Learjet Inc. Model 45 aircraft in accordance with Flightstar Corporation Master Data List 45-001-028, Revision C, in accordance with FAA STC ST04439CH dated November 25, 2019, or later FAA approved revision.

Sincerely,

DocuSigned by:
